

Insch Medical Practice

*Dr D. Michael Kay
Dr Stephen J. Teale
Dr Kirsten Cassidy
Dr Karen Simpson
Dr Paul J Davies*

Staffing update - Spring 2017

We have had a number of new members of staff join our team and sadly we are about to say goodbye to quite a few too.

We say farewell to:

Dr Kay

Dr Mike Kay has been practicing at this Practice since 1985. After 32 years it's time for him to take a well earned rest. Dr Kay will retire on Friday 28th April. I'm sure you will all join us in wishing him a long, happy and healthy retirement. A farewell event for Dr Kay is being planned for the Strawberry Fayre in June.

Dr Ferris

Dr Claire Ferris will also be leaving us on the 27th April after her locum stint with us. We wish her well for her move to Cumbria.

We welcome:

Dr Etubus

Dr Agnieszka Etubus will be joining us from Wednesday 3rd May as a Locum GP.

Dr Irvine

We are delighted to announce that Dr Kate Irvine will be joining the Practice as a partner working Mon/Tue/Wed/Fri. Dr Irvine will join the Insch Medical Practice team on Tuesday 1st August.

Paula

Paula Watson joined the Practice in January as our Practice Pharmacist. Her role includes dealing with all medication changes and queries.

Jennifer

Jennifer Pollock joined the reception team on Monday 3rd April.

We have also seen a lot of change in the NHS Health Visiting team.

Ada Robb has replaced Kate Patton as our local Health Visitor working Mon – Thurs.

Gail Chapman will also be joining us soon as Health Visitor working Wed – Fri.

Maggie Watt and Gemma Hay are our Health visitor trainees.

Donna Smith will be our immunisation nurse

Nicola Don remains our nursery nurse working Thu and Fri.
